Nose shaper

Look for the nose shaper on display.

- What do you think it was used for?
- Do you think it was popular?
- What would you do if you wanted to have something changed on your body or face?
- What is this kind of surgery called?

Discussion

Many people 'go under the knife' to make changes to their bodies. Television programmes showing the results of extreme makeovers have become very popular.

Do you believe in this type of surgery?

Would you ever consider having it?

In what circumstances?
